

# Named One Of Top Medical Spas In *NORTH AMERICA*

## Rejuvenate Your Mind, Spirit and Body!

### WellMedica Anti-Aging & Wellness /Reston,VA

It's time to rejuvenate your mind, spirit and body! Medical Spas provide comprehensive medical and wellness care within a relaxing environment. They integrate spa services together with conventional and integrative therapies.

The role of a medical spa is a comprehensive mind and body approach to care for you before, during and after any physio, medical, anti-stress and cosmetic treatments. This new breed of medical spas has become a wonderful balance between providing clinical beautycare needs and pure luxury.

WellMedica is recognized as one of the first specialized anti-aging and wellness clinics in America. Founded and operated by Dima Ali, M.D., WellMedica offers completely personalized and customized anti-aging and preventive medical programs to meet your needs and lifestyle. WellMedica is known for its clinical skincare and state-of-the-art laser treatments, including treatment of facial spider veins, blue leg veins, facial wrinkles, acne, rosacea, unwanted hair and facial blemishes. They also offer botox and collagen injections as well as chemical peels. All procedures are performed by physicians and require no recovery time. Ask for a sample of their physician formulated épiceuticals anti-aging skincare products. Experience a new approach to anti-aging medical treatments in a serenely sophisticated environment. Call to make an appointment for a complimentary consultation with Dr. Ali or to receive a free copy of WellMedica News -- with 10 Anti-Aging Remedies you can start today! WellMedica is located at the renowned Austin-Weston Center for Cosmetic Surgery.

Top Medical & Wellness Professionals: Dima Ali, M.D., Medical Director of WellMedica, is a board-certified physician recently elected to America's Top Doctors. She is a member of the American Society of Laser Medicine and Surgery. She serves on the Research Council of the American Academy of Anti-Aging Medicine and was appointed to the Educational Advisory Board of the Medical Spa Professional Alliance.
